

APPLE TREE CLASS NEWSLETTER

Spring 2

2022

Our topic for this half term is 'TRANSPORT'. We will be learning about emergency service vehicles, superhero cars and about the importance of keeping fit and healthy. We will use the story 'Emma Jane's Aeroplane' as a stimulus to look at different places in the world. We will learn about London, Paris, Venice, New York, Beijing and Sydney. Please feel free to do some research together at home and bring it into share. We will also be exploring colour mixing in art and making our own super hero capes. In RWI some of the children will begin to learn set 2 sounds. We will continue to focus on letter formation and handwriting. In technology we will be using the app 'Daisy Dino' to understand instructions and sequencing. In RE we will share the Easter story and think together about Spring time changes. Our Forest School sessions will continue to be every Wednesday where we will be exploring floating and sinking and making rafts.

Home learning ideas

Download and use the free APP Daisy Dino at home.

Explore colour mixing together and experiment making different colours.

Find out about different occupations in the Emergency Service. What jobs do people do in our community and how do they help us?

Visit the library and look for stories about 'Transport'.

Practice letter and number formation at home.

Recall number bonds to 10.

Research different countries and famous landmarks.

Our planning for the half term is on the wall by the door into our classroom if you would like more details about our topic.

At some point (probably the last week of term) we will take a walk down to the train station to look at the trains arriving and leaving. We already have consent forms for this.

Dates for this half term...

Thursday 3rd March - World Book Day (Book character dress up or PJs)

Wk beg 21/3/22 – Parents Evenings this week (sign up in class)
