	Summer	Lostwithiel P	rimary Sch	ool <u>Year One</u>
DT focus: Pivots		DT Knowled	lge Organiser	Cherry Tree Class
Prior Learr	ning:			
During recept	tion children have looked at differen	nt ways to join paper and card.		
Key DT kno	wledge and skills:			
A pivot is a pi	n or a rod that joins more that one	piece together.		
	he joined pieces to move separately			
	found in lots of different everyday		s. roundabouts. windr	nills doors, and toys.
	t we can use to make things in schoo	• • •		
	join card, paper or material. If you	• •	• •	
opin pins cun	Join cura, paper or marerial. If you		VOU CAN USP A ROA AA	wel or straw
We can use a	• • • •	• • •	•	wel or straw.
	pivot to create a flap that can be n	noved to reveal something under	rneath.	
We can use a	pivot to create a flap that can be n pivot to create an object with movi	noved to reveal something under ng parts such as a person or ani	rneath.
