

Lostwithiel School - Religion and World Views Overview 2024-25

The principal aim of religious education is to educate what people believe and what different this makes to how they live, so that pupils can gain the knowledge, understanding and skills needed to handle questions raised by religion and belief, reflecting their own ideas and ways of living.

CONCEPTS:

Shared symbols and rituals (RE1) The concept: Communities are strengthened by shared rituals, actions, 'sacred' symbols and objects. *Making sense of beliefs.*

Living a good life (RE2) The concept of a 'moral code'. Communities even with a range of religions or worldviews. Can share views of what is 'good'. *Understanding the impact.*

Ultimate questions (RE3) The concept that everyone has their own worldview helping them make sense of life's experiences beyond just words. *Making connections.*

In 24-25 Lostwithiel School will be transitioning to the 'Opening Worlds' Key Stage Two Curriculum which will be rolled out in Years 3, 4 and 5.
